### Walking directions:

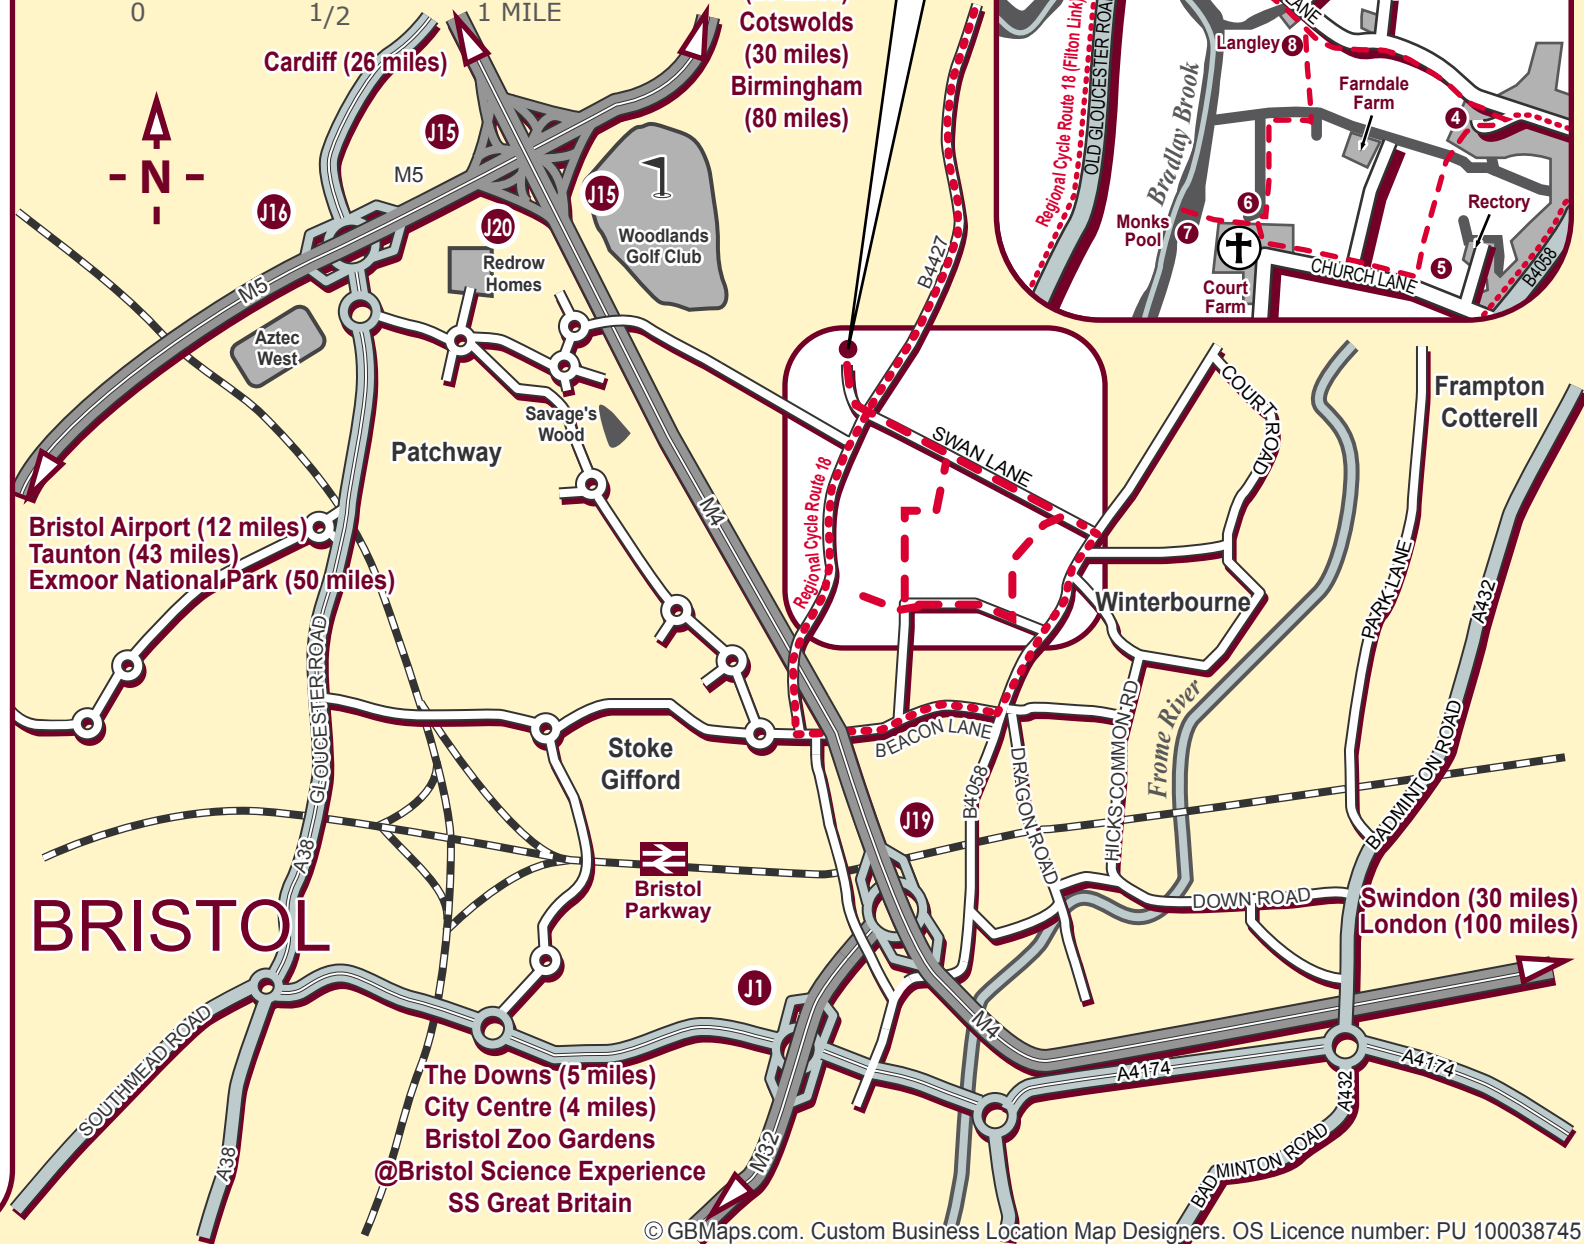

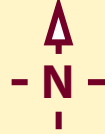

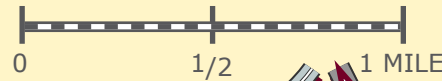

From the hotel (1) take the main entrance to Old Gloucester Road (2). Cross the road and turn right and immediately left onto Swan Lane (3). Carry on for about 600 metres, pass along Oaksdale, Firlea, Langley Farm and at the beginning of Winterbourne Village take the first on left (4). Keep left around Norman's Farm (4) on a track. After 50 metres keep left on a footpath. Proceed through three fields on Church Lane (5), turn left. You should see a church in distance. Next to the church, (6) you can see a medieval barn (on the left), but carry on right on a track next to the church. After the cemetery there is an option to turn left to have a look at Monks Pool (7). The walk will take an extra 10 minutes. If not, just turn right and proceed through a field alongside a barn. Keep left along a hedgerow. On the opposite right corner of the field pass through a small wood and continue onto a track. Keep left after 300 metres onto Swan Lane (8). Turn left and proceed back towards main road and hotel.

For longer trip, we would advise you to join the Regional Cycle Route 18 (Filton Link). You can do so from point number 2 (northwards), or from number 3 (southwards-Bristol). There is an option to cycle over the highway, and turn left onto Beacon Lane and through Winterbourne back onto Swan Lane.
