Walking directions:

(1) Go down the drive and turn left at the gates (Bondend Lane). At the end turn left. Take first left (Nut Hill) (2). Take first right towards Rooksmoor. Follow the road, it turns into a track (3), across the field at the end onto Valley lane. Turn left (signposted Peaked Acres) (4). Follow the road for approx 100 yards until you see a footpath sign pointing to the left into a field. Go straight across into the field and follow the footpath signs straight over another field. Go over the footbridge and straight across the field. (5) Go through the farm, following the footpath signs. Follow the signs until you come out onto a road (Nut Hill) (6). Turn right and follow road for approx. 100 yards. Turn left into a field, just beside Abbotswood Cottages, cross the field following the footpath signs. When you reach the hedge, turn left, continue with the hedge on your right and join the bridleway, across the fields. Turn left, then turn left again and follow bridleway (7). At the end keep right, with the farm on your left. Follow the lane to the end and the Hotel is on your left.

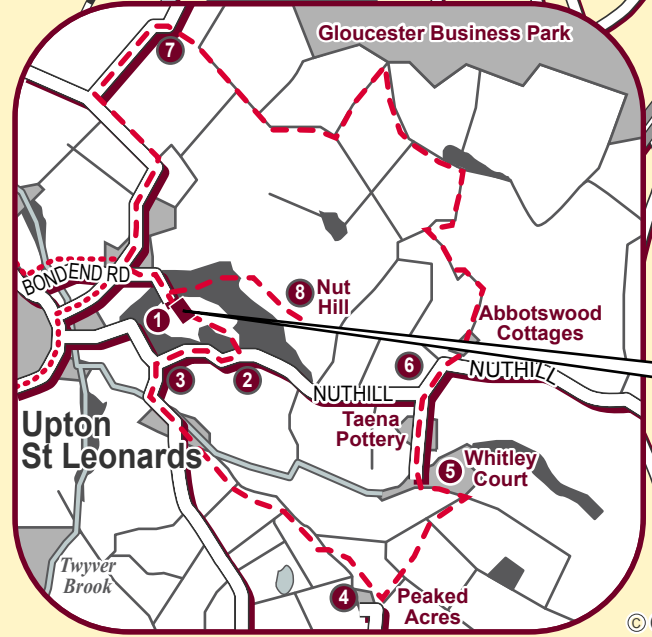

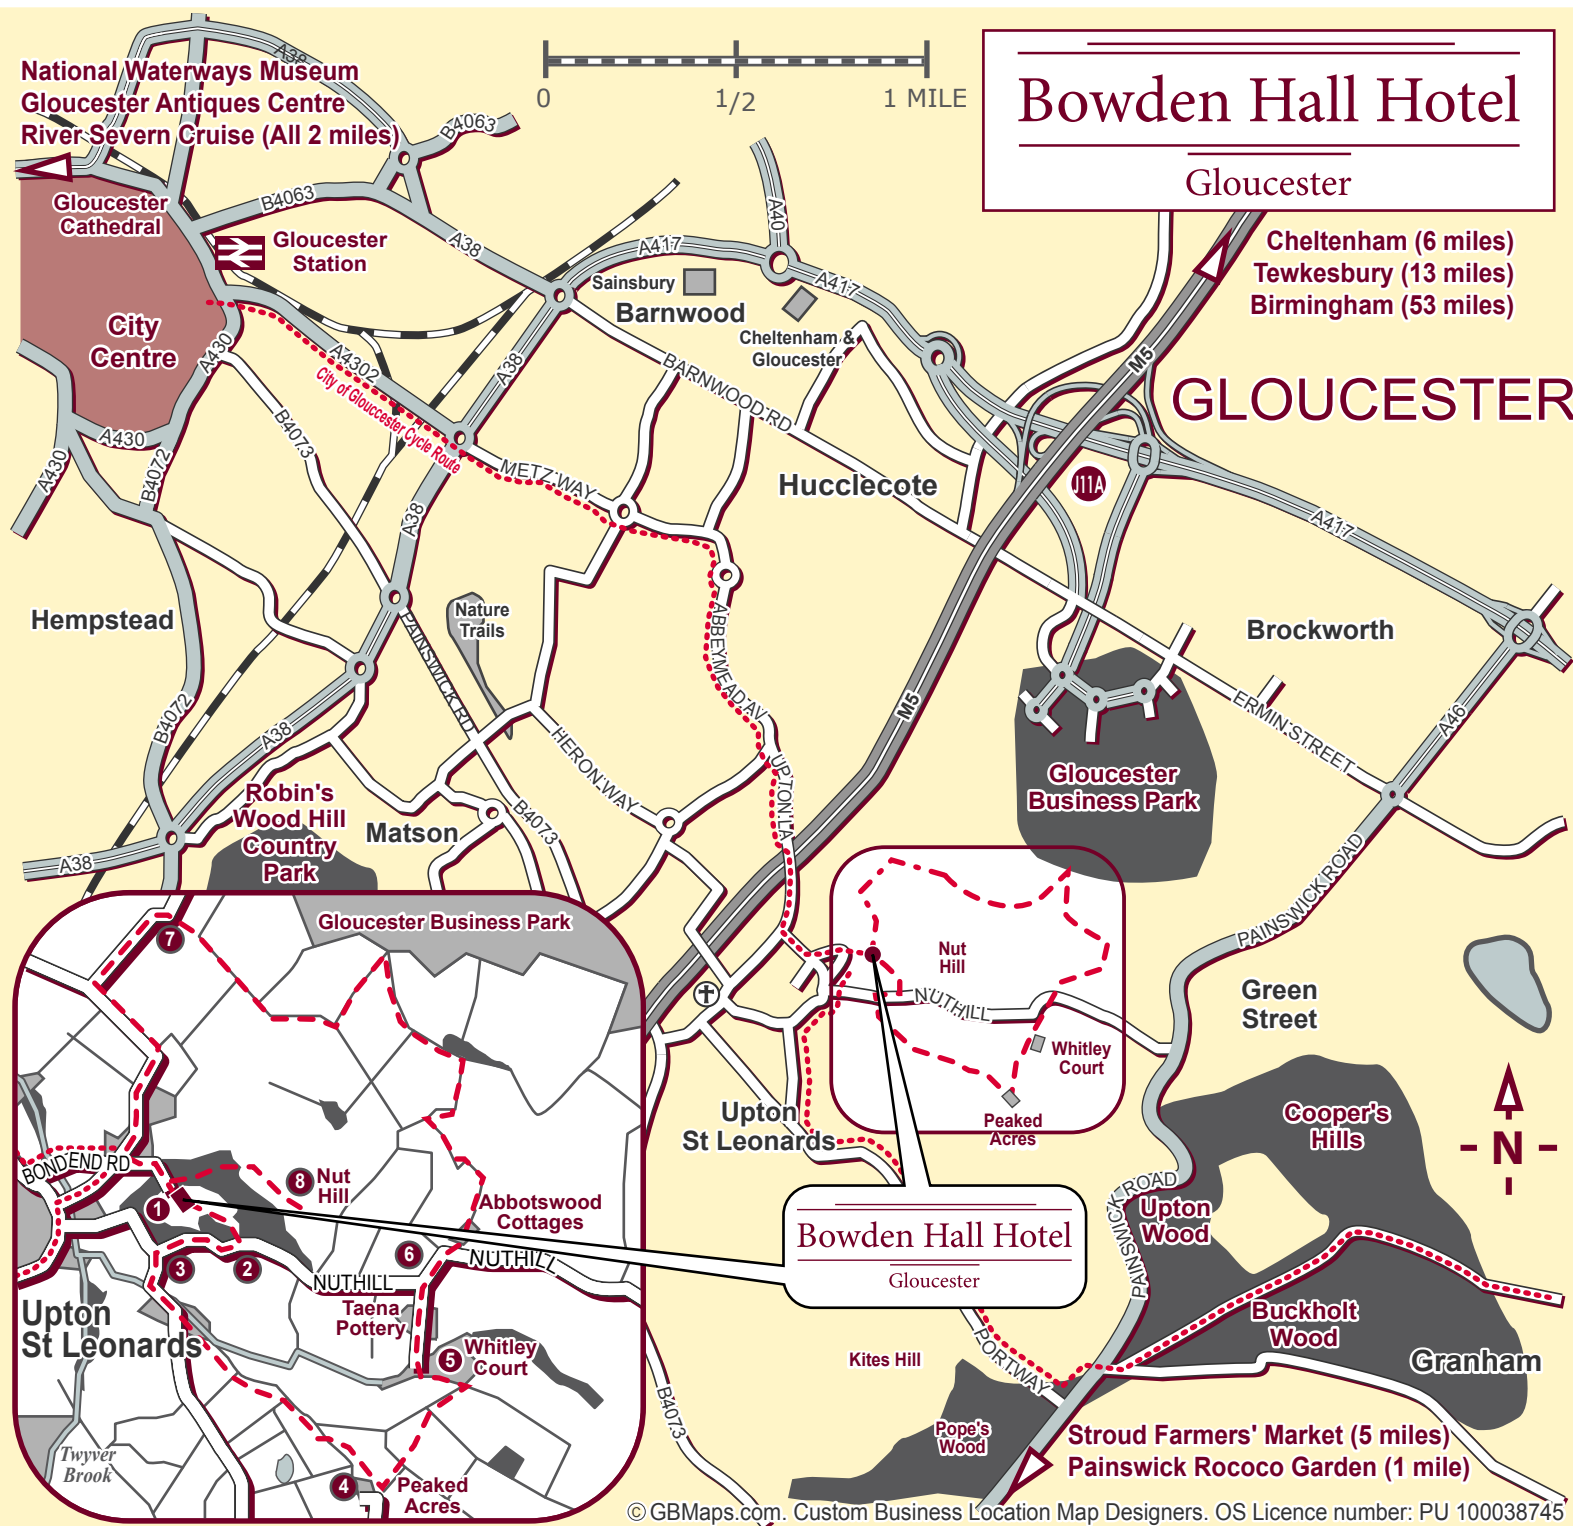

You could carry on up the carpark, take the delivery entrance, and go up the Woodland Trust walk to the top of Nut Hill (8).

For longer trip, we would advise you to join the City of Gloucester Cycle Route towards the City Centre. You can do so from point Bond End Road, then keep right onto Upton Lane (over highway).

Another nice cycle trip is along Portway, across Painswick Road to Buckholt Wood.
