Walking directions:

From the hotel (1) pass through the car park, keeping left onto a minor road. After two hundred metres carry right onto a footpath along side the A19 (Shipton road). Take the first right onto a road around a set of houses (2). Keeping straight along side another set of houses, the path turns right along the River Ouse. After a few hundred metres you will pass a pond (3) on your right, then turn right onto a forest path and carry on until you reach the Stripe road (4). Turn right and continue until the junction of Shipton Road (5). Keep right on the footpath along the side of the road. After the York Golf Centre, an estate and Fairfield Farm, you will see the hotel on the left hand side.

For a longer trip, we would advise you to join National Cycle Route 65. You can do so from point number 2 (towards York), or from number 4 along Stripe road. There is an option to carry on along the river Ouse under the railway bridge as far as you wish.
